

# SERMON JOURNAL

August 3 - December 31, 2016

Name: \_\_\_\_\_

Dear Friend,

Thank you so much for purchasing our latest edition of the sermon journal. Since I believe reading the Bible is at the very core of developing our personal walk with Christ, this is an essential core habit for a believer. Reading the Bible on a daily basis can strengthen your faith, lead to life eternal and give you hope on days when life seems just too much to handle. This journal is a tool for you to read a certain scripture each day which is tied to our weekly sermon. If you will do your part and stay with us in the daily readings, then the Sunday message will make far more sense than if you weren't prepared. You'll learn, grow and develop in Christ.

You will notice that this journal goes until December 31. Notice that it's simpler than the sermon journals we've used in the past several years. While they were outstanding and provided some wonderful insights, there was so much work involved in getting them to you. This mode is far easier for us to produce. Besides, it's helpful to change things from time to time. This seemed like a good time to make this change.

The Apostle Paul, writing to young Timothy, gave these instructions: *But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it, and how from infancy you have known the holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus. All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.* (2 Timothy 3:14-17)

A handwritten signature in black ink that reads "Tom". The letter "T" is large and has a long horizontal stroke that extends to the right.

Tom

P.S. Instead of doing Monday/Tuesday as a review for the previous Sunday sermon, the new sermon scripture will be listed on Monday.
